Tasmanian Young Artist Award 2017

Sponsored by the Rotary Club of Deloraine through the Tasmanian Craft Fair
The Tasmanian art education landscape is crackling and vibrant. The strength and diversity of Tasmanian art teachers’ teaching prowess and creative practice is reflected every day in the work of Tasmanian school students. Inextricably linked to the excellence of our art teachers is the exciting exploratory and experimental approaches that our young creatives fuel within the teaching/learning nexus. Creativity is not given in this space; rather it is cultivated in and through a reciprocal and generative relationship between learning and teaching in our art classrooms.

The Tasmanian Young Artist Awards is a timely initiative for Tasmania’s young artists. The initiative is accessible and attractive to junior and senior sectors of High School and College age students across Tasmania. The Tasmanian Young Artist Awards provides a professional platform for showcasing the art practice of students from grades seven through to twelve, from all around Tasmania.

It is wonderfully heartening to see inspiring and energising initiatives such as the Tasmanian Young Artist Awards unfolding, particularly for the forthcoming generations of creatives that Tasmania will produce, and the wonderful art teachers who support them in their emerging practices.

Art Education Australia (AEA) – Vice President
Tasmanian Art Teachers Association (TATA) – Immediate Past President
Lecturer in Arts Education – University of Tasmania

Tasmanian Art Teachers are committed to the Reconciliation process. Through our ongoing work in art education, we acknowledge the original owners of the land upon which we learn, teach and create with our students. We pay our respects to Elders past, present and future in our shared spaces of learning, teaching and creating.
This award has been instituted to encourage and stimulate the arts amongst Tasmanian school children. It gives them an opportunity to display their work, and to open students’ horizons to the possibility of a future in art, design or illustration.

The two awards are open to any Tasmanian school student with one for the best work by students in years 7 to 10 and one for students in years 11 to 12.

The theme of this exhibition is ‘Contrasts’.
